Many thanks to the different crews that made the Outdoor Fellowcraft Degree and Salmon BBQ weekend a great success. That includes the Mausoleum clean up, the preparation, service and breakdown of the Grand Master's Dinner, the Mausoleum set up, the BBQ'ing of the salmon, the creation of the side dishes, serving the lunch, clean up of the Lodge, presentation of the Outdoor Degree, and the breakdown of the set-up and return of the equipment to the Lodge.

Freemasonry day of note in June: June 24, St John the Baptist Day, is the day that the Grand Lodge of England was founded in 1717.
